Benjamin Louis Ladner

As a child, Ben was curious and loved learning new things. He was a true patriot.; he represented his high school as an ambassador to the USSR in his junior year. He was an athlete and participated in all sports in school. Ben also loved to travel and wanted to open his eyes and mind to a world far beyond his home. However, the best part of travel for Ben was coming home to those he loved. He was an avid Alabama football fan and also shared a love for the Baltimore Orioles with his Father and brother.

Ben was a young man who was answering the call to be a nurse. Ben loved people and helping others. He was full of patience and compassion and he had a gift for bringing out the best in others, even during stressful and difficult times. He was a nursing student enrolled at Shelton State Community College. He was paying his own way through school; working towards his dream of earning a BSN degree from the Capstone College of Nursing at the University of Alabama.

Although Ben's parents were very supportive of him and wanted to send him to school, he was determined to accomplish this goal on his own. While in nursing school, he worked tirelessly at DCH Regional Medical Center from November 2000 until September 2005. Unfortunately, Ben was taken far too soon due to a tragic car accident in 2005. After his death, his family created the Benjamin Louis Ladner Capstone College of Nursing Memorial Scholarship. This annual scholarship has helped many nurses complete their bachelor's degree in nursing. In 2018, Ben's family made the decision to partner with the DCH Foundation and the DCH Health System to expand the annual scholarship into a year-round nursing tuition assistance program that will help scores of nurses earn their bachelor's degree.

Ben would be humbled that this program was developed and named for him. He would also be proud that so many nurses will be able to achieve his shared dream - a bachelor's degree in nursing - and to be able to provide high-quality, compassionate care to those we serve at DCH.
