

School of Radiologic Technology Application Requirements

Due to the restrictions of class size, **application to the program does not guarantee acceptance**. Acceptance is a very competitive process. Just because you meet the minimum standards does not guarantee acceptance. We are currently accepting 20 students. **Falsification of any information on the application will result in dismissal of your application.**

DON'T MISS THE DEADLINE!	<p style="text-align: center;">Deadline for application is May 24, 2024 for the 2024 school year. Deadline for turning in required documentation is May 31, 2024.</p>
--------------------------	--

Requirement checklist:

<input checked="" type="checkbox"/>		Must be 18 years of age prior to the program's start date in September.
<input checked="" type="checkbox"/>		Transcripts
		High school transcripts with GPA and ACT scores noted on transcript are required unless you have a BS degree.
		An applicant with a GED certificate must have a 50 overall score with a score of 50 on all sections. If the GED scores do not meet these requirements, then the applicant must have a college cumulative GPA of 3.0.
		College transcripts are required.
<input checked="" type="checkbox"/>		MANDATORY required college courses that must be taken and completed with a minimum grade of a C.
		Intermediate College Algebra or College Algebra
		Fundamentals of Public Speaking or Oral Communication (Must be a 3 hour class)
		English Composition I
		Anatomy & Physiology I
		Anatomy & Physiology II
		If A & P courses are successfully passed on 1st attempt, an additional point will be awarded on the applicant's interview grade point sheet.
		Grade points : A = 4 points, B = 3 points and C = 1 point
<input checked="" type="checkbox"/>		GPA
		The applicant must have a minimum college GPA of a 2.5.
		GPA must be noted on all transcripts.
<input checked="" type="checkbox"/>		ACT score – must be noted on transcript or have a copy from the ACT.
		Composite score of 18 is required.
		If an applicant has a score of less than 18; then they must have a cumulative college GPA of 3.0 or higher.
		The ACT is not required if the applicant has a BS degree in any subject with a minimum final cumulative GPA of 2.5.
		ACT cannot be older than 10 years.
		We only accept the National ACT. In accordance with ACT, the residual ACT is only for the school it was taken for.
		We do not require the writing portion of the ACT.
<input checked="" type="checkbox"/>		Reference letters
		Three reference letters from individuals other than family are required. The letters can be mailed, faxed or emailed.
		These letters are to be postmarked or received no later than May 31 st .
<input checked="" type="checkbox"/>		8-hour observation visit – <i>subject to change</i>
		An observation visit is where the applicant will be toured to some of the clinical educational sites where training will occur. This is your chance to see what a Radiologic Technologist does throughout the day. You will be notified by the School Agent when it is time to schedule. These visits are only scheduled AFTER the above information has been received.
		Observation is only held Mon – Fri at Regional Medical Center from 7 a.m. – 2:30 p.m.
<input checked="" type="checkbox"/>		Interview
		An interview will be scheduled for all applicants who have completed requirements by the deadline. This is scheduled by the School Agent and you will be notified by email after the May deadline. Interviews are only held once and are usually in late June or early July.
<input checked="" type="checkbox"/>		Background check and pre-employment physical
		If accepted, applicant must pass a background check and complete the DCH pre-employment physical prior to school start date in September.
<input checked="" type="checkbox"/>		Acceptance notification
		Due to background checks and possible delay in final grades; we reserve the right to a 3 – 4-week delay from interview to notification.
