SCHOLARSHIPS

We proudly offer scholarships to both current employees pursuing a degree in the nursing field and students within our community. These scholarships are aimed at supporting individuals dedicated to advancing their careers in healthcare, providing financial assistance to help achieve their educational and professional goals.

THE DCH Foundation

The DCH Foundation is devoted to securing financial resources to help the DCH Health System provide the best possible care to the people we serve in our community.

It is the responsibility of each citizen and stakeholder to make sure that financial resources are available to deliver an exceptional level of care and to meet the challenges of the future. Together, we can unite to provide essential resources and make a difference in the lives of the individuals and families we support.

The DCH Foundation will be the not-for-profit organization-of-choice to support by those served by the DCH Health System.
